

## Performance Eligibility Regarding Costumes

Team members are to initial each statement below. This acknowledges your understanding of and agreement to each statement.

\_\_\_\_\_ Performing as a Troydoll is a privilege which is contingent upon your compliance with team costumes and uniforms. The responsibility of maintaining and keeping up with your costumes and uniform pieces is **YOUR** responsibility as a team member.

\_\_\_\_\_ In order to perform at any event (pep rally, competition, half time show, etc.) you must be in **complete** uniform or costume. Any dancer lacking ANY required element will NOT be allowed to participate in the performance *and* will receive the appropriate amount of demerits for the infractions.

\_\_\_\_\_ Required elements can be as minute as an earring or hair ribbon and missing these required elements will result in your benching *and* demerits regardless of the event or performance.

\_\_\_\_\_ Should you lose or damage any element of your costumes or uniforms, you are responsible for replacing them. This may require you to order replacement pieces, thus resulting in additional demerits and ineligibility to perform during the shipping time and continuing until the order has been received.
